God's cunning plan. The prediction, life and work of John the Baptist are the focus. In Luke 1: 5-25 the birth of John the Baptist is foretold to Zechariah showing us the care and detail involved in God's plans. In verses 5-80 we see in the birth and naming of John that we can be confident that God's plans will succeed. In Luke 3 : 1-20 John's part in God's plan reaches its culmination, helping us to respond by discovering our role in God's plan.
