Church building programme – help and ideas needed.

The plans for re-cladding the Church Hall and re-roofing the Church are progressing well. Efforts are already underway to raise as much financial support as possible and we need to look at our own efforts to increase our existing funds in any way we can. We are seeking advice and offers of help. If you have any ideas please share them with Lesley or any member of the building committee, as all efforts are worthwhile.

Events planned include an 'all-American breakfast' at the church hall and a general sale of all our stored goods prior to the big clear out. We look forward to hearing from you.

Church catering: If you need refreshments for a church activity, see list of catering co-ordinators on the notice board/web site and contact the appropriate people. They will then organise the work. Please try to give plenty of notice:
